

Avision | FB6280E Flatbed Scanner

The best choice for scanning books

Features

- Scan books to the edge
- A3 scanning area 420 x 297 mm
- Optical resolution up to 600 dpi
- Digitize an A3 page in color and 300dpi in just 4.5 seconds
- User-friendly TWAIN driver with numerous useful functions for scan optimization such as automatic color detection, color correction, document cleaning, and much more.
- Time optimization through automatic cropping, which creates multiple images from one scan

Simple Book Scanning

4.5s 6s

Geschwindigkeit

A unique, innovative flatbed platform, with a slanted front edge engineered to accommodate books in a way that prevents the dark, shadowy area near the spine from appearing.

LED with no warm-up time

The LED lighting not only saves energy but also requires no warm-up time. The FB6280E is immediately ready for use after switching on. In addition, he only needs 5.5 seconds to digitize an A4 document.

Advanced Software

The bundled software includes the TWAIN and the WIA driver as well as a document organization software PaperPort SE14.

Dual Driver

The same driver can also control an Avision sheet-fed scanner that is optionally connected to the FB6280E scanner.

Professional TWAIN Driver

Avision's easy-to-use TWAIN driver offers many useful features to optimize image quality and productivity.

Button Manager V2 makes it easy for you to scan and send your image to your favorite destinations with the touch of a button. The current version has an innovative feature that allows you to automatically file the scanned document to the cloud. For example, Google Docs, Microsoft SharePoint and FTP are supported. Moreover, the iScan feature allows you to paste the scanned image or recognized text into your text editor like Microsoft Word after the optional OCR (Optical Character Recognition) process to get your work done easily and quickly.

AvScan X

The intelligent document management

Document imaging is the very first step in document management. However, poor quality images can cause serious problems in later indexing or storage processes. This can increase scanning labor costs and reduce OCR accuracy. AvScan X ensures that all documents are checked and polished at the time they are scanned to ensure image quality before they are used for other purposes.

AvScan X is an intelligent scanning and electronic storage solution. AvScan X has unique features that convert and index scanned information into electronic documents for easy storage and quick retrieval.

PaperPort SE14 Professional document organization

PaperPort is the easiest way to organize stacks of paper and images into an organized form that makes documents quick to find and easy to use. Stop wasting time searching for paper documents.

With PaperPort you can simply connect your Avision scanner to your computer and edit your PDF or JPEG documents as if you were editing paper documents on your desk. This is the perfect solution for your home office or small office.

Avision | FB6280E Product Specifications

Scanning Speed	4.5s			
(A4 300 dpi in color)	6s (incl. Carriage return)			
Scanning technology	CCD			
Light source	LED			
Color depth	48 bits input / 24 bits output			
Optical resolution	600 dpi			
Scanning Area	Max. 420 x 297 mm			
Interface	USB 2.0 (cable included)			
Driver	TWAIN / WIA			
Output formats	BMP, PNG, GIF, JPEG, Single-Page PDF, Multi-Page PDF, Multi-TIFF, TIFF, RTF, TXT, OCR(only iScan), XPS, DOC, XLS, PPT, DOCS, XLSX, PPTX, HTML			
Power consumption	Operation: <40W Standby: <15W Sleep: <5W			
Operating environment	Temperature: 10°C-35°C Humidity: 10% bis 85%			
Dimensions / Weight	645 x 428 x 135 mm / 7.6kg			
Recommended daily volume	Up to 2500 pages			

System Requirements

CPU	Min. Intel i3 (2,1GHz)		
Memory (RAM)	2GB (32bit Windows) 4GB (64bit Windows)		
Interface	USB		
Operating Systems	Windows 11/10/8/7		
Scope of delivery:			
Hardware	Scanner, USB cable, Quick Guide		
Software	Treiber (TWAIN), PaperPort SE14
